The Arizona Game and Fish Department prohibits discrimination on the basis of race, color, sex, national origin, age, disability in its programs and activities. If anyone believes that they have been discriminated against in any of the AZGFD's programs or activities, including its employment practices, the individual may file a complaint alleging discrimination directly with the AZGFD Deputy Director, 5000 W. Carefree Highway, Phoenix, AZ 85086, (602) 942-3000 or U.S. Fish and Wildlife Service, 4040 N. Fairfax Dr., Suite 130, Arlington, VA 22203.

If you require this document in an alternative format, please contact the AZGFD Deputy Director as listed above or by calling TTY at 1 (800) 367-8939.

Important Information for 2008

This list is for informational purposes only and lists important information or major changes that have occurred since publication of the last hunt draw booklet. Individuals should thoroughly read and understand the appropriate regulations prior to making application or going afield. The current Arizona Hunting and Trapping Regulations can be found at www.azgfd.gov, or at any department office or license dealer.

Elk Hunters: Over-the-Counter Nonpermit-Tags Available Over-the-counter nonpermit-tags for elk are available in some hunt areas. Refer to Commission Order 4 (page 22) for open areas and season dates. These tags are only sold at Arizona Game and Fish Department offices. Elk numbers in these hunt areas are very low; therefore, hunt success is expected to be very low. Make sure you obtain permission to hunt on private lands. These hunts will not affect your Bonus Points but do count towards your one-elk-per-calendar-year bag limit. More information on these hunts can be found on the Department's Web site (type Over-the-Counter Elk Tags in the search box).

The Arizona Game and Fish Department Moved The Arizona Game and Fish Department relocated its headquarters to 5000 W. Carefree Highway, Phoenix, AZ 85086. Draw applications can be dropped off at the new headquarters building or any regional office. Applications will not be accepted at the old headquarters location.

Juniors-Only Hunts Discounted youth hunt permit-tag fees apply only to Juniors-Only Hunts. If you are applying for any general hunts, the higher of the hunt permit-tag fees must be submitted.

For Reference to Laws and Rules Arizona Revised Statutes and Commission Rules are printed in the Arizona Hunting and Trapping Regulations book, which is printed each May. To review an Arizona Revised Statute or Commission Rule mentioned in this document, refer to the current Arizona Hunting and Trapping Regulations book. Laws and rules also may be viewed at www.azgfd.gov. Select Inside AZGFD in the left column. Then select Rulemaking Process.

License Information

Who Can Go?

Everyone needs a license to hunt wildlife in Arizona. You need in your possession a valid hunt or combination hunt and fish license, plus any required hunt permit-tags, nonpermit-tags, or stamps. A Class H Three-Day Non-resident Hunting License is not valid for big game.

YOUNG HUNTERS – Anyone 14 years of age or older needs a license to hunt wildlife in Arizona. You need in your possession a valid hunt or combination hunt and fish license, plus any required hunt permit-tags, nonpermit-tags or stamps.

A person under 14 may hunt wildlife other than big game without a license only when accompanied by a properly licensed person 18 years or older. No more than two unlicensed children may accompany any license holder.

No one under the age of 14 may take big game without having completed a Hunter Education Course. No one under age 10 may hunt big game in Arizona. To hunt big game, anyone 10 to 13 years of age must have in their possession a valid hunt or combination hunt and fish license, a valid Hunter Education Course completion card, plus any required permit-tags, nonpermit-tags and stamps.

Where to Buy Licenses

Arizona hunting licenses can be obtained from license dealers throughout the state or from any Arizona Game and Fish Department office (see locations on page 2 of this booklet).

A list of license dealers can be found at www.azgfd.gov.

If you are applying for a big game draw or bonus points, you may purchase your general hunt or combination hunt and fish license while you are entering your application for the draw. The license will not be mailed until the draw is finalized. Family Licenses, Super Conservation Licenses, and Child Hunting and Combination Licenses **may not be obtained through the draw**; these licenses must be purchased at department offices.

Lifetime License Holders

If a lifetime license holder changes resident status from Arizona, the licensee must then purchase non-resident stamps, tags, and permits. A

non-resident tag or stamp can accompany your lifetime resident license. If you are a lifetime license holder who has moved out of state, the 10 percent non-resident cap does not apply to you. The lifetime license will remain legal for the taking of all wildlife as permitted by law. Residency may be re-established after moving back to Arizona and meeting the required time period as set forth by law. Consult A.R.S. 17-335.01 for additional information.

Residency Requirements

A resident is a person who has been a bona fide resident of the state of Arizona for six months immediately preceding the date of application for a license or a tag or a member of the armed forces who has been stationed in Arizona for a period of 30 days immediately preceding the date of application for a license or a tag.

Arizona residents may purchase a resident license. All other individuals must purchase a non-resident license.

Three-Day Non-Resident License

A Class H, Three-Day Non-resident license, valid for the taking of small game, fur-bearing animals, predatory animals, nongame animals, nongame birds, upland game birds and migratory game birds, except ducks, geese and swans is available at all license dealers. This license is not valid for hunting big game nor is it valid when applying for big game hunts through the draw process.

Lost License or Tag Replacement

Lost licenses, hunt permit-tags and nonpermit-tags may be replaced for a fee at any Arizona Game and Fish Department license dealer. Consult R12-4-103 Duplicate Tags and Licenses for additional information. Stamps cannot be replaced, they must be repurchased.

Physically Challenged Hunters

Those hunters who are physically challenged may qualify for a Challenged Hunter Access/Mobility Permit (CHAMP). Consult R12-4-217 for a description of this permit. Contact any Arizona Game and Fish Department office for additional information and application.

Non-US Citizens Wanting to Hunt in Arizona

Pursuant to new regulations by the U.S. Bureau of Alcohol, Tobacco and Firearms (ATF),

non-immigrant aliens who want to temporarily import firearms and/or ammunition into the United States for the allowable purpose of taking wildlife will need an ATF import permit and valid hunting license in possession at the time of entry/import into the United States. For further information or to make application for the import permit, contact ATF's Firearms and Explosives Import Branch at (202) 927-8320, or download an application from the ATF Web site at www.atf.treas.gov.

Tag Transfers

Under Arizona Revised Statutes and Arizona Game and Fish Commission Rules there are ways people can transfer big game tags to children.

A parent, grandparent or legal guardian may allow the parent's, grandparent's or guardian's minor child or minor grandchild to use the parent's, grandparent's or guardian's big game permit or tag to take big game pursuant to the following requirements:

- The minor child is 10 to 17 years old on the date of transfer;
- The minor child has a valid hunting or combination license on the date of transfer
- A minor child less than 14 years old has satisfactorily completed a department-approved hunter education course by date of transfer.
- The parent or guardian must accompany the child in the field or, if a grandparent allows a minor grandchild to use the grandparent's permit or tag, the grandparent, parent or the child's guardian must accompany the child in the field. In either case, the adult must be within 50 yards of the child when the animal is taken.

Once a tag is transferred, the original permittee may no longer use it.

A person may transfer his or her game tag for use by a child with a life threatening medical condition. Consult ARS 17-332 for more information.

Notes:

- For children at least age 10 during the license year, but less than age 14. **These licenses may not be purchased through the big game draw.** The Child General Hunting (Class G) and Child Combination Hunt and Fish (Class F) licenses are valid for both residents and non-residents and may only be purchased at Arizona Game and Fish Department offices.
- For youth less than 21 years of age. Youth Combination Hunt and Fish license fees apply before and throughout the calendar year of their 20th birthday. The Youth Class F license is valid for both residents and non-residents. This license may be purchased through a big game draw.
- For youth 14-17 years of age. A Youth license is valid for both residents and non-residents.
- Youth permit-tag fees are for "Juniors-Only" designated hunts. If (–) is listed, use respective resident or non-resident fees. *If a person is applying for a Juniors-Only hunt and a regular hunt on the same application, the higher of the tag fees must be enclosed.*
- Mandatory physical check-in.
- Mandatory harvest reporting.
- Not available at license dealers.
- Youth, less than 16 years of age, are not required to purchase a state migratory bird stamp, state waterfowl stamp, or a federal waterfowl stamp.

Family and Super Conservation Licenses

The new Family and Super Conservation licenses for 2008 are designed to help you maximize your recreational dollar. See the cost-saving breakdowns below to determine what license packages are best for you.

FAMILY LICENSES – only available at Department offices, not through the draw

These are great values for married couples and parents with children under age 18. The first adult pays full license price, a legal spouse receives a 20-percent discount, and license fees are greatly discounted for every child in the immediate family under age 18. **These licenses may not be obtained through the big game draw.**

Eligibility: Residents only. Licenses may be purchased at any Game and Fish office. Family licenses may be issued to members of an immediate family residing in the same household. Immediate family means one adult, or two adults who are married to each other, and their children under age 18, including adoptive children, stepchildren, foster children, and other children for whom they are legal guardians.

Family License Class ³	What It Includes	Primary Adult ¹	Legal Spouse	Each Child ²	Family of 4 Total Price
Hunting (Class J)	General Hunt license	\$ 32.25	\$ 25.80	\$ 15.00	\$ 88.05 (Save \$29)
Combo Hunt and Fish (Class K)	Combo Hunt and Fish license	\$ 54.00	\$ 43.20	\$ 20.00	\$137.20 (Save \$24)

SUPER CONSERVATION LICENSES – only available at Department offices, not through the draw

These super package deals combine multiple licenses, stamps and tags to create outstanding values for avid anglers and hunters. **These licenses may not be obtained through the big game draw.**

Eligibility: Residents only. The Super Conservation Hunt and Super Conservation Combination Hunt and Fish licenses are available to residents only, and may only be purchased at Game and Fish offices.

Super Conservation License Class	What It Includes	Resident	Non-resident
Super Hunting (Class M)³	General Hunt license, Unit 12A (North Kaibab) Habitat stamp, state waterfowl stamp and state migratory bird stamp privileges. Also includes over-the-counter archery deer, fall archery turkey, fall bear and mountain lion tags.	\$ 118.00 (Save \$37)	not available
Super Combination Hunt and Fish (Class N)³	General Fish license, Urban Fish license, trout stamp, and General Hunt license, Unit 12 A (North Kaibab) Habitat stamp, state waterfowl stamp, state migratory bird stamp, over-the-counter archery deer, fall archery turkey, fall bear and mountain lion tags.	\$163.00 (Save \$50)	not available

Notes:

1. A Primary Adult license must be purchased before a spouse or child license can be issued.
2. A Child is defined as at least age 14 during the license year and under age 18 at the time of purchase. EXCEPT: when a license is purchased for the next calendar year, then the child must be under age 18 on Jan. 1 of the calendar year the license is being purchased for.
3. Super Conservation Hunt (Class M) and Super Conservation Combination Hunt and Fish (Class N) licenses, and Family licenses (Class J and K) can only be purchased at department offices. They cannot be purchased through the draw or at license dealers.

Other Licenses Only Available at Arizona Game and Fish Offices

LIFETIME LICENSES

Available only to Arizona residents. License valid for lifetime. Fee schedule varies by license type and age. For more information, visit azgfd.gov and type "lifetime license" in the search box.

- General Fishing, Class A – valid all species except trout
- General Hunting, Class G
- Combo Hunt and Fish, Class F – valid all species
- Trout Stamp – validates Class A for taking of trout
- Wildlife Benefactor – includes Combo Hunt and Fish privileges

COMPLIMENTARY LICENSES

Must meet criteria to qualify for free license that includes Combo Hunt and Fish and Urban Fishing privileges.

- **Pioneer**
Person must be 70 years of age or older, plus 25 consecutive years as a bona fide Arizona resident immediately preceding application for license.
- **Disabled Veteran**
Person must show certification from the Veteran's Administration confirming permanent service connected disabilities rated as 100% disabling, plus one or more consecutive years as a bona fide Arizona resident immediately preceding application for license.

Draw Information

The Draw

When the number of hunt permits for a species in a particular area must be limited to prevent over-harvest of wildlife, the Commission Order governing seasons for that species assigns a hunt number to a designated area, and a hunt permit-tag is required to take that species in that area. Hunt permit-tags are issued through a computerized random drawing. Big game tags not issued through the drawing process are nonpermit-tags. Nonpermit-tags may be purchased directly from Department offices or through license dealers.

Qualifications

Individuals wishing to participate in a drawing or to purchase bonus points must apply in writing using the Hunt Permit-Tag Application Form.

Each applicant must possess a valid license for the year in which the hunt will take place or possess a lifetime, pioneer or disabled veteran's license. Non-resident Three-Day Class H licenses may not be used in applying for big game hunt permit-tags. **Juveniles applying for big game hunts must be licensed.** Applicants not licensed for the year in which the hunt will take place must submit the information and fees required for a license on **each** paper application submitted. Only one license will be issued to you and you will receive a refund for the other license fees submitted. The license will not be mailed until the draw is finalized.

Applying For A Hunt

Paper applications for hunt permit-tags must be made on Hunt Permit-Tag Application Forms available at Department offices, Web site, and license dealers. Please use the current year's application form, that is WHITE in color. Do not use any previous year's application form as certain important changes have been made. Applications not prepared in a legible manner may be deemed not valid and shall be rejected as specified in R12-4-104(D). Use standard blue or black ink (no gel ink).

No more than four people may apply on one application in one envelope. All applicants in a group must apply for the same hunt number(s) and in the same order of preference on the same form.

No person may submit more than one valid application per genus of wildlife in any calendar year, except as specified in R12-4-104(L), when genera are drawn in multiple drawings.

No more than one genus may be included on each Hunt Permit-Tag Application Form. Use a separate form and envelope for each genus of wildlife you wish to hunt. You can list a general hunt as your first choice and another weapons type hunt for the same genus as another choice on the same application—just be sure they are in the same numerical series. Use only one application per genus, even if you are mixing weapons choices. Do not cut or alter application form.

Only a single application and the correct fees must be included in one (1) envelope. More than one (1) application in an envelope may result in rejection of all applications.

Hunt Permit, Bonus Points Disclaimer

The issuance of any big game permit has no express or implied guarantee or warranty of hunter success. Any person holding a valid permit assumes the risk that circumstances beyond the control of Arizona Game and Fish may prevent the permit holder from using the permit. In such situations, Arizona Game and Fish disclaims any responsibility to reissue or replace a permit, to reinstate bonus points or to refund any fees, except under specific circumstances, such as activation of military or emergency personnel, as stated in R12-4-107.

Fees

When submitting paper applications, each applicant shall enclose the following fees:

1. The fee for the appropriate hunt permit-tag, which includes the permit application fee.
2. Fee for a hunting license, if a license is requested. Be sure to enclose license fees on **each** application, if required, for each person who is applying on the application for a hunting license.
3. **Discounted youth hunt permit-tag fees are for "Juniors-Only" designated hunts. If a person is applying for a Juniors-Only**

hunt and a regular hunt on the same application, the higher of the tag fees must be enclosed.

Each payment enclosed with a hunt permit-tag application shall be made by certified check, cashier's check, money order, or personal check or draft payable to the Arizona Game and Fish Department. Cash will not be accepted and will result in rejection.

One personal check or money order can cover all fees for the application.

The permit and license fees are specified in the fee schedule on pages 6–7. The hunt permit-tag fees on page 6 include the non-refundable application fee.

A \$25 fee will be charged for each returned or dishonored check.

Submitting Applications

Applications (except first-come, sandhill crane, pheasant, and raptor applications) may be hand-delivered to Department offices in Phoenix, Mesa, Tucson, Flagstaff, Pinetop, Kingman or Yuma. Mailed applications must be sent only to the Department's Phoenix Office at P.O. Box 52002, Phoenix, AZ 85072-2002. On deadline days, Department business offices close at 5:00 p.m. (MST), but applications can be delivered to drop boxes until 7:00 p.m., (MST). Drop boxes are locked promptly at 7:00 p.m., (MST). All applications must be received by the Department before the deadline. Deadlines for submission are specified in the Hunt Permit-Tag Application Schedule on page 12. Postmarks don't count.

Complete and proper preparation of an application is the sole responsibility of the applicant.

What Happens To My Application?

Any application not properly prepared, submitted with insufficient fees, cash, or one that is illegible is not valid and will be rejected.

If there is an error that will result in the rejection of an application and the application is received by the Department on or before Friday, Jan. 25, 2008, we will make three attempts

Draw Information

within a 24-hour period to notify you by telephone if a phone number is provided. If we are able to contact you by phone and our customer service representatives can correct the application at that time, they will do so and enter the application in the Draw. If an error cannot be corrected by phone, we will still attempt to notify you of the error and advise you to re-submit your application. The applicant may then prepare a new Hunt Permit-Tag Application Form, include the appropriate fees and re-apply by the scheduled deadline date.

If any applicant in a group is rejected for any reason, all other applicants in that group will also be rejected.

No hunt permit-tag will be issued to anyone in a group if there are not sufficient hunt permit-tags available for all applicants in that group.

Hunt permit-tags will be mailed to each successful applicant.

What If I'm Not Drawn?

Please use one of the methods (telephone or Internet) described on page 2 to access draw results. These methods of access shall serve as the official notification of draw results.

Over-payments and hunt permit-tag fees received with unsuccessful applications will be returned to applicant "A," as shown on the Hunt

Permit-Tag Application Form. Application and license fees will not be refunded. You will not be issued or charged for more than one license.

If you or a member of your group elected to donate your fees or a portion thereof, the donation will not be refunded. A hunting license is required to apply in a drawing. If an application is rejected and a license has been requested, the license will not be issued.

Unsuccessful, valid applications will be awarded bonus points.

Big game hunt permit-tags remaining after the drawing will be issued on a first-come, first-served basis as specified in the hunt permit-tag application schedule on page 12.

Purchasing A Bonus Point Only

In the event you do not wish to participate in a big game drawing for pronghorn antelope and elk, but still wish to accumulate bonus points for these genera, you may "purchase a bonus point."

When completing your application, you must choose the bonus point hunt number established for that genus as your first choice. A bonus point hunt number is established within each applicable Commission Order. If you choose this hunt number, you may not choose any other hunt number on your application. **If the bonus**

point hunt number is any choice other than the first choice or any other hunt numbers appear on the application, your application will be rejected. You may purchase only one bonus point per genus per drawing.

To purchase a bonus point, you must have previously purchased a hunting license or apply for a hunting license through the draw for the year in which the hunt will take place. You must also include the application fee per applicant. Your application will **NOT** be entered into the draw and you will not receive a refund on the license fee or the application fee. Do not include the fee for the hunt permit-tag for the genus in which you are applying for the bonus point. **A bonus point purchase costs you only the license fee (if needed) and the \$7.50 application fee per applicant.**

If you apply for a bonus point only using the established bonus point hunt number, you may **NOT** submit another application for the same genus. To do so will cause both applications to be rejected as duplicate applications.

All applicants in a group must apply for the same established bonus point hunt number. The application will not be included in the random number drawing and the individual(s) on the application will each receive a bonus point for that genus.

How to Apply for the Draw

Completing Your Paper Hunt Permit-tag Application Form

R12-4-104 explains application and drawing procedures in detail, see the current Arizona Hunting and Trapping Regulations. Complete and proper preparation of an application is the sole responsibility of the applicant. If any applicant in the group fails to complete any required portion of the application, all applicants in the group will be rejected.

Numbered paragraphs correspond to numbers circled on the SAMPLE form, use it to assist you in completing your form, which can be found online, at any license dealer or department office.

1 Enter the hunt number(s) of the hunt(s) in which you wish to participate. The hunt number will indicate the genus (deer, turkey, etc.) and area you want to hunt. Do not use the Game Management Unit Number. Hunt numbers are listed in the far left column of each Commission Order. Deer hunts are in the 1000 series, turkey hunts are in the 4000 series, etc. All hunt numbers on an application must be in the same series. YOU CANNOT MIX HUNT SERIES NUMBERS, BUT YOU CAN MIX WEAPON TYPES WITHIN A SERIES. You must submit a separate application for each genus (series). No more than five hunt choices can be requested. You may request fewer. You do not have to fill in all the blocks. Do not repeat any choices. You may only apply for either a bonus point or a valid hunt number for any genus, NOT both.

2 Enter your correct date of birth (mm/dd/yyyy).

3 Enter your Social Security Number. In accordance with Federal Requirement, 42 U.S.C. Section 666 (A)(13) and A.R.S. 25-320 (N) and 25-502 (K), you must provide your valid Social Security Number in the space provided. This is kept on file with the Arizona Department of Economic Security for use in identifying and tracking child support offenders. Any invalid SSN will result in rejection. If you are not a U.S. citizen you must write "NOT US CITIZ" in the Social Security field. If you are not a U.S. citizen, you must obtain a Department I.D. Number prior to submitting and enter it on the application. See #6. You may obtain a Department issued

<p>In order to participate in the draw, you must have or apply for a license. If you are not licensed at the time you submit your Hunt Permit-tag Application Form, you must apply for a license on each application you submit by completing the license portion of the application form. The license fee must be included with each application. See the applicable hunt regulations for license fees.</p>							

ID number by calling (602) 942-3000 during business hours.

4 Check the appropriate resident or nonresident box. Resident means a person who has been a bona fide resident of the state of Arizona for six months immediately preceding the date of application, or a member of the Armed Forces who has been stationed in Arizona for a period of 30 days immediately preceding the date of application for a license.

5 Enter your valid Arizona hunting license number for the year in which the hunt for which you are applying occurs. The hunting license number consists of two letters and six numbers. You may purchase a license through the draw by completing the License Application Form on the bottom of the application and submitting payment with each of your applications if you are not licensed.

6 Enter your Department I.D. Number (for-

merly called Sportsman I.D.). This number is for those individuals who choose to use a Department issued I.D. Number instead of a social security number to track bonus points or for non-U.S. citizens. This is a permanent number and is to be used on all hunt applications. Your I.D. Number (if different from SSN) is vital to track your bonus points and to ensure that you receive the proper credits. Using a different number may result in your not receiving proper bonus point credits. An I.D. Number may be obtained by calling the Department. You must still provide a valid SSN even if you provide a valid Department I.D. Number. See #3.

7 Enter your correct full name (last name first), home mailing address, city, state and zip code.

8 The Department will make three attempts within a 24-hour period to notify you of errors that will result in the rejection of your application if the application is received on

How to Apply for the Draw

or before Friday, Jan. 25, 2008. If you wish to participate in this service, please list a telephone number where you can be reached. You are not required to enter your telephone number.

14 Enter the appropriate abbreviation for eye color:

BLK - Black BLU - Blue BRN - Brown
GRN - Green GRY - Gray HZL - Hazel

15 Enter the number of years and/or months that you have been a resident of Arizona. (See page 8, Completing Your Hunt Permit-Tag Application Form, # 4, to determine if you qualify.) No entry is required here for a nonresident applicant.

16 Check the box next to the license type which you wish to purchase. **If you are requesting a**

license on more than one application, you must specify the same class of license on each application and include the license fee with each application. You will not be issued or charged for more than one license. If you are not licensed for the year in which the hunt will occur, you must complete the License Application Form for each genus applied for and include payment for a license with each application. If you are drawn for more than one genus, only one license will be issued in your name. If you are not drawn, you will be refunded only the hunt permit-tag fee. You must possess or purchase a license to participate in a drawing or to purchase a bonus point. No refunds will be issued for license or application fees if you apply in a drawing and are unsuccessful in the drawing. **If you do not check the box next to the license type you wish to purchase, your application will be rejected.**

Help Arizona's Big Game Species: Donate to the Big Game Habitat Fund

Arizona's array of big game species is one of the most diverse in the nation. By contributing to the Big Game Habitat Fund, you become our partner in conservation, helping the Arizona Game and Fish Department improve wildlife habitat across the state.

Funds derived from hunter donations are used to conduct habitat improvement projects for all of Arizona's big game species. To view some of the projects accomplished with these funds please visit our Web site at: azgfd.gov/landowner.

You can become part of Arizona's success story by donating a portion of your refund to big game habitat projects. Do so by entering the amount of your donation in the space provided. This is a voluntary donation which will be deducted from your refund.

17 Enter the amount you wish to donate in this block. This donation will be subtracted from your refund if you are eligible for a refund.

Notes:

- The Department will accept Hunt Permit-tag Applications for big game listed above as soon as the applicable year hunt information is available on the Department's Web site (www.azgfd.gov), or from any Game and Fish Department office or license dealer, unless otherwise noted in the Hunt Permit-tag Application schedule.
- If a paper Hunt Permit-tag Application that is submitted contains an error and is received by Jan. 25, 2008, the Department will make three attempts within a 24-hour period to notify the applicant by telephone (if a phone number is provided).
- Department offices at Flagstaff, Kingman, Mesa, Phoenix, Pinetop, Tucson and Yuma will close for business at 5:00 p.m. (MST); completed applications will be accepted at these locations until 7:00 p.m. (MST) on deadline days. No applications will be accepted after this time regardless of the postmark. Deadline dates may be extended in the event of a Department related system failure.
- First come permits are issued if available and will sell very quickly. Applicants are advised to check with the Department before submitting an application for leftover permits. A listing of leftover permits is available by telephone at (623) 236-7702, or online at www.azgfd.gov.

Clinics, Raffles and Partnerships

Information will be reprinted in May. Check the 2008-09 Arizona Hunting and Trapping Regulations for any changes.

Arizona Antelope Foundation Clinic

The Arizona Antelope Foundation will hold its annual antelope hunter's clinic from 6:30 to 9:30 p.m. June 17, 2008, at Sportsman's Warehouse, 19205 N. 27th Ave., Phoenix. The clinic is held to assist pronghorn hunters on their upcoming hunts. Hunting techniques, field judging, animal care, and unit specific information is emphasized. The Arizona Game and Fish Department will have personnel available to answer questions and strongly encourages antelope hunters to attend the clinic. For more information, contact the Foundation at (623) 936-3533 or visit www.azantelope.org.

Arizona Elk Hunting Tactics, Techniques and Strategies Workshop

The Arizona Hunting Club & Outdoor Adventure Group offers an Elk Hunting Tactics, Techniques and Strategies Workshop for \$15 per student. The Elk Hunting Workshop teaches students how to hunt on paper by locating potential watering holes, feeding areas and bedding areas using topographic maps and a GPS unit. In a separate Elk Scouting Field Trip, students will learn what to scout for while on an actual scouting trip, such as fresh elk tracks, fresh game trails, scrapes/rubs, droppings, beds and signs of heavy grazing. Other activities will include baiting, game cameras and installing tree stands. The Elk Hunting Workshops will be held online via the Internet the second Thursday of every month from 7 to 9 p.m. from January through November 2008. The workshop signup form is located at www.arizonahuntingclub.com/huntingworkshops/signup.asp.

Arizona Elk Society Elk Hunting Clinic

The Arizona Elk Society again will be holding its Annual Elk Hunting Clinic July 26, 2008. For information visit www.arizonaelksociety.org or call (623) 594-7074. This seminar will be full of great information on hunting elk with a bow or a rifle; locating elk during the early and late hunting seasons; effectively calling elk; as well as meat care, cape preparation, and proper use of optics to locate elk in the field. The clinic will be a great education tool for first time hunters and seasoned hunters. For more information about the Elk Hunting Clinic as well as the Arizona Elk Society visit www.arizonaelksociety.org.

Arizona Elk Society Junior Elk Hunters Camp

The Arizona Elk Society's Junior Elk Hunters Camp will be Oct. 16-19, 2008, at Happy Jack Lodge in Happy Jack, Ariz. This event is held every year in conjunction with the Unit 6A Juniors Elk Hunt. Thursday night the AES serves free dinner to all youth hunters and their families, after which they have a seminar on hunter safety, finding elk, meat care and more. There will be lots of free give-a-ways for the youth hunters. The Arizona Elk Society offers support throughout the weekend for game locating and retrieval, as well as anything else the kids need during the hunt. Check out this event and others at www.arizonaelksociety.org. Call (623) 594-7074 for information.

Arizona Elk Society Wapiti Weekend

The Arizona Elk Society annually hosts 130 Youths at the Sipes White Mountain Ranch Wildlife Area for a weekend of fun and education. Kids ages 7-16 and their parents are exposed to a multitude of outdoor related events on this fun filled Father's Day weekend. This year the event will be June 21-22, 2008. Events include 22 rifle shooting, muzzleloader shooting, archery shooting, an interactive Arizona Game and Fish Department ethics video event, camo face painting, animal track identification, elk and predator calling seminars, animal tracking, and a bird habitat event. This is a great event to introduce our youth to the world of outdoors. During the weekend elk and antelope are spotted around the Sipe White Mountain Ranch as well as birds, ducks and other wildlife. For more information check www.arizonaelksociety.org or call (623) 594-7074.

Arizona Big Game Super Raffle

Various state and national sportsmen's groups have put together a raffle for one of each of nine big game species in Arizona. Season dates are Aug. 15, 2008, through Aug. 14, 2009, and include most units. The raffle will occur in July 2008 on a date to be announced. An entry form is available on page 30 of this regulation booklet. For ticket prices, ticket purchase deadline and drawing date, please visit the Web site at www.arizonabiggamesuperraffle.com.

While there is no requirement for hunters to wear orange in Arizona; the department STRONGLY suggests that all hunters adopt this valuable safety precaution to help others see and identify them in the field.

Hunter Education

Hunter Education programs across the country are designed to continue the hunting heritage by developing safe, responsible, ethical and knowledgeable hunters. Hunting is a hallowed family tradition that teaches respect for life, each other and nature. It teaches accountability and responsibility. If you are a new hunter, or want to learn about wildlife conservation, the environment, firearms and gun safety, our hunter education courses can help. The program will also benefit experienced people who want to become more proficient hunters and conservationists. While hunter safety is the program focus, hunter ethics, wildlife management, survival, and other important topics are also covered. Hunting is safe, as well as being community and family sustaining. Enroll your family in our hunter education program today. For more information, visit www.azgfd.gov or call (623) 236-7235 or (623) 236-7236.

Course information

Everyone that is at least 10 years old is encouraged to participate in a Department hunter education course. Taught by volunteer instructors, a modest fee to offset student expenses for ammunition and other materials is usually assessed at the first class. The Department offers an introductory beginners course requiring approximately 9 hours in the class room with a field day consisting of another 4 to 6 hours. The Department also offers an independent study online hunter education course. Just like the classroom courses however, a final (proctored) exam will be required prior to course graduation. More detailed classes are also available requiring approximately 20 hours, along with a combination course for bow hunters that is approximately 28 hours. These class room courses are generally offered during weekends and week nights across the state with the field day conducted at a local shooting range.

At a minimum, subjects covered include an introduction to hunter education and conservation as well as topics such as:

- Safety, responsibility, hunter education funding sources.
- Behaviors of a responsible hunter, preventing accidents, planning and preparation, clothing, topographic maps and compasses, survival skills, coping with weather related conditions and basic first aid.
- Wildlife conservation, the hunter's role in wildlife conservation, habitat management, wildlife identification.
- Basic hunting and shooting skills, good marksmanship and accuracy, dominant eye, sight alignment, sighting-in a rifle, rifle firing techniques, shooting positions, shotgun shooting, hunting strategies, vital shots and approaching downed game, field care of game, hunter responsibility and ethics, the five stages of hunter development, North American Model of Wildlife Conservation and market hunting.
- Arizona's Hunting Regulations – Develop an understanding of the most often violated Arizona game laws, rules and regulations.

10 Commandments of Hunting Safety and TAB +1

1. **T**reat every firearm as if it were loaded! It might be, even if you think it isn't!
2. **A**lways keep the muzzle in a safe direction. Keep control of the direction of the muzzle at all times.
3. **B**e sure of the target and beyond. Be aware of what is in front of the target. Know the identifying features of the game you hunt. Make sure you have an adequate backstop – don't shoot at a flat, hard surface or water.
4. **+1** Keep your finger outside the trigger guard until ready to shoot. This is the best way to prevent an accidental discharge.
5. Check your barrel and ammunition. Make sure the barrel and action are clear of obstructions, and carry only the proper ammunition for your firearm.
6. Unload firearm when not in use. Leave action open; carry firearm in a case and unloaded to and from the shooting area.
7. Point a firearm only at something you intend to shoot. Avoid all horseplay with a gun.
8. Don't run, jump, or climb with a loaded firearm. Unload a firearm before you climb a fence or tree, or jump a ditch. Pull a firearm toward you by the butt, not the muzzle.
9. Store firearms and ammunition separately and safely. Store each in secured locations beyond the reach of children and careless adults.
10. Avoid alcoholic beverages before and during shooting. Also avoid mind- or behavior-altering medicines or drugs.

Pronghorn Antelope Notes:

- 3B North Hunt Unit - That portion of Unit 3B located north of U.S. Hwy 60.
- 3B South Hunt Unit - That portion of Unit 3B located south of U.S. Hwy 60.
- Camp Navajo in Unit 6B is open to antelope hunting only to properly licensed hunters holding a valid Camp Navajo hunting permit. A hunter education course is required. Hunt numbers must be obtained from the Arizona National Guard. For more information on how to apply for a Camp Navajo hunt, go to www.campnavajo.com and select Hunting. Increases in Force Protection may result in hunt cancellations at any time with little or no prior notification. In the event a hunt is cancelled due to an increase in security, hunters drawn for these permits will not be reimbursed or otherwise compensated by the Arizona Game and Fish Department. Applications for these hunts must be submitted to the Arizona Game and Fish Department by the published deadline.
- Hunter access in this unit is restricted. Applicants should secure access before applying.
- The Grand Canyon-Parashant, Vermilion Cliffs, Sonoran Desert, Ironwood Forest, and Agua Fria National Monuments are open to hunting.
- In the northern portion of Unit 5A, access is permitted on the Clear Creek Ranch by written permission only. Written permission may be obtained at the Ranch headquarters located west of AZ Highway 87 at mile post 333.
- Vehicle access into portions of 19A (specifically within the following: south of US Hwy 89A, east of Robert Rd, north of AZ Hwy 169/69, and west of FR151/643) is restricted. Foot access is unrestricted. Additional information will be mailed to individuals drawn for these hunts.

2007 Drawing Odds

Hunt Success for most 2007 seasons was not available at the time of printing. Hunt Success data will be included in the Hunt Arizona book, which is printed each May. Draw odds reflect an applicant's chance of receiving his or her first choice and are computed without regard to bonus points or residency. Draw odds showing zero (0) indicates your odds are less than 1 percent.

Elk Hunts

■ Distribution

For further information on elk, their habitat, range, natural history, or where you can hunt them in Arizona, please visit www.azgfd.gov.

LEGAL REQUIREMENTS

License Required	Any valid hunting or combination license except a Three-Day Hunting (Class H) (See tables on pages 6–7 for Resident and Non-resident license fees).
Tag Required	Hunt Permit-tag obtained only through application and draw process as prescribed in R12-4-104 and R12-4-114. EXCEPT for General Nonpermit and Archery-Only Nonpermit seasons: a hunt nonpermit-tag must be obtained from a license dealer as prescribed in R12-4-114.
Hunt Numbers Required	When applying for big game hunt permit-tags, you must use hunt numbers.
Legal Methods of Take	General Hunt: Any firearm or bow and arrow as prescribed in R12-4-304. Muzzleloader Hunt: Muzzleloading weapons as prescribed in R12-4-101 and R12-4-318, or bow and arrow as prescribed in R12-4-304. Archery-Only Hunt: Bow and arrow as prescribed in R12-4-304 and R12-4-318 and/or crossbow as prescribed in R12-4-216.
Legal Animal Definition	Bull elk means an antlered elk. Antlered means having an antler fully erupted through the skin and capable of being shed. Antlerless means not having an antler, antlers, or any part thereof erupted through the skin, as defined in R12-4-101.
Bag Limit	One (1) elk per calendar year, except as prescribed in R12-4-120.
<p><i>To hunt elk in Arizona you need a valid Arizona hunting or combination license and an elk tag. To hunt elk in General, Juniors-Only, Muzzleloader or Archery-Only seasons, you must apply through a draw for a hunt permit-tag. To hunt elk in a General or Archery-Only Nonpermit Tag season, you must obtain a hunt nonpermit-tag available only at department offices. The same tag can be used in either the General or Archery-Only Nonpermit-tag season.</i></p> <p><i>The Department offers "Juniors-Only" designated hunts. If applying for a Juniors-Only hunt, do not reapply for the same species with other applicants on a separate application. Persons are eligible to participate up to and throughout the calendar year of their 17th birthday, provided that persons between the ages of 10 and 13 have satisfactorily completed a Hunter Education Course that is approved by the Director as per ARS 17-335 (C). If a person is applying for a Juniors-Only hunt and a regular hunt on the same application, the higher of the tag fees must be enclosed.</i></p>

 22. Elk occur in low numbers in these non-traditional areas. Hunt success may be very low to no success.
 23. Camp Navajo in Unit 6B is open to elk hunting only to properly licensed hunters holding a valid Camp Navajo hunting permit. A hunter education course is required. Hunt numbers must be obtained from the Arizona National Guard. For more information on how to apply for a Camp Navajo hunt, go to www.campnavajo.com and select Hunting. Increases in Force Protection may result in hunt cancellations at any time with little or no prior notification. In the event a hunt is cancelled due to an increase in security, hunters drawn for these permits will not be reimbursed or otherwise compensated by the Arizona Game and Fish Department. Applications for these hunts must be submitted to the Arizona Game and Fish Department by the published deadline.
 24. The Grand Canyon-Parashant, Vermilion Cliffs, Sonoran Desert, Ironwood Forest, and Agua Fria National Monuments are open to hunting.
 25. Eligible disabled veterans must be rated at 50% or greater as determined by the Veterans Administration. Written proof is required prior to being allowed to hunt on Camp Navajo.

 28. The U.S. Forest Service has expressed concern regarding road damage during wet weather. The Department is working with the U.S. Forest Service to provide limited access via designated core roads in units 5A, 5B, 6A, 6B, 7, 8, and 9 that will remain open during periods when other roads may be closed. When weather is deemed severe, the core roads may also be closed to prevent excessive road damage, provide for public safety, and protect natural resources. Roads that have been closed are closed to all users. Hunters should respect and obey road closures and drive responsibly during wet periods. It is recommended that hunters contact the appropriate Forest Service office to determine current road status for their

2007 Drawing Odds

Hunt Success for most 2007 seasons was not available at the time of printing. Hunt Success data will be included in the Hunt Arizona book, which is printed each May. Draw odds reflect an applicant's chance of receiving his or her first choice and are computed without regard to bonus points or residency. Draw odds showing zero (0) indicates your odds are less than 1 percent.

Supplemental (Population Management) Hunts and Hunter Pool

Beginning in 2003-2004, the Arizona Game and Fish Department established Population Management Hunts and the Hunter Pool. AZGFD Wildlife Managers have found that previous hunt strategies designed to manage some wildlife populations are not meeting objectives. When regular hunt seasons don't meet management objectives, conflicts between wildlife and other uses of the land can occur. Population management hunts are designed to allow the Department to achieve supplemental harvests of wildlife when traditional harvest strategies have not met their objectives. Population management hunts will enhance the Department's ability to meet population and habitat management objectives.

The following information is important to know if you are planning on applying for a population management hunt.

- Population management hunts may occur as necessary, under the provisions of R12-4-115 (refer to the current Hunting and Trapping Regulations).
- The Population Management Seasons Commission Order 26 approved by the Commission designates the range of species, season dates, open areas, legal wildlife, lawful taking methods, and maximum tag numbers for population management hunts to be prescribed by the Director and implemented under R12-4-115.
- When a population management hunt is found to be necessary, as prescribed in R12-4-115, hunters will be selected from the hunter pool made up of hunter pool applicants (see application below).

- The hunter pool list will be purged by the Department Dec. 31, 2008. You may apply at any time during the year (note: do not include the hunter pool hunt application form with a hunt permit-tag application—you must apply separately. See application below for instructions).
- To complete your application, you must designate the species of animal(s) you desire to hunt and the weapon type(s). You must also submit a \$7.50 application fee (note: one \$7.50 application fee per application—not per species). Please do not send cash.
- You may designate more than one species and weapon type on the application form. If you choose to designate more than one species and weapon type on your hunter pool application, your name will be included in the hunter pool for each species and weapon type you designate. This means that you may be eligible to participate in a population management hunt for more than one species or method of take each year (note: annual bag limits apply to all population management hunts and may limit your ability to participate in a population management hunt or regular season hunt).
- If you participate in a population management hunt and fill your annual bag limit for that species, you may not participate in a regular hunting season for that species even if you are drawn through the normal draw process (note: A.R.S. 17-332.E. prohibits the issuing of a refund for the purchase of a license or a permit).

- If your application is selected during a random drawing for a population management hunt, the Department will attempt to contact you three times by telephone within a 24-hour period. If you cannot be contacted within 24 hours, your application will be returned to the hunter pool for inclusion in future population management hunts during that year.
- If you are offered a restricted non-permit tag for a population management hunt, pursuant to R12-4-115, you may decline to participate. If you decline to participate, your application will be returned to the hunter pool for inclusion in future population management hunts during that year (note: if you agree to participate in a population management hunt but fail to purchase your tag within the timeframe designated when you are contacted, you will not be eligible for further population management hunts that year).
- If you elect to participate in a population management hunt, it is probable that you will be asked to arrive in the field to hunt within a few days of being contacted (note: purchase of restricted nonpermit-tag and applicable hunting license prior to hunting is required).
- Restricted non-permit tags issued through the hunter pool may be purchased through the Department's Phoenix office. See the front of the hunting regulations booklet for the address and phone number.
- You will not gain or lose bonus points when you apply for, or participate in, a population management hunt.

Form may be photocopied.

**Do not include this form with a Hunt Permit-tag Application Form
(See R12-4-115 in the current hunting and trapping regulation booklet)**

Have you:

- Filled in all the blanks?
- Enclosed the \$7.50 application fee?
- Signed your application?
- Indicated your choice of species?

Mail Application and Fee (do not send cash) to:

Population Management Season Notes:

- These seasons shall be held in accordance with R12-4-115 and may include shorter time frames, smaller geographic areas, and specification of legal wildlife within that described in this Commission Order.
- In accordance with R12-4-318, dogs may not be used to pursue bears between January 1 and July 31.
- Hunter access in Units 29, 30A, 30B, and 32 is extremely restricted. Applicants should not apply for these units unless they have secured access.
- The Fort Huachuca Army Garrison in Unit 35A is open to hunting only to properly licensed military and civilian personnel holding a valid Fort Huachuca post hunting permit. Special regulations must be obtained from Fort Huachuca. Applications for these hunts must be submitted to the Arizona Game and Fish Department.
- Round Valley Hunt Area in Unit 1 - That portion of Unit 1 beginning at the junction of AZ Hwy 260 and AZ Hwy 261; south on AZ Hwy 261 to FR 8070C; east on FR 8070C to FR 285; north on FR 285 to FR 74; east on FR 74 to FR trail 607 (Saffel Canyon Trail); east on FR trail 607 to AZ Hwy 191; southeast on AZ Hwy 191 to Nutrioso Creek; north along Nutrioso Creek to AZ Hwy 60; west on AZ Hwy 60 to AZ Hwy 191; south along AZ Hwy 191 to AZ Hwy 260; west on AZ Hwy 260 to AZ Hwy 261.
- Alamo Lake Hunt Area in Units 16A and 44A - That portion of Unit 16A south of Signal Road and east of the Yucca-Alamo Road; and that portion of Unit 44A north of Alamo Road and west of AZ Hwy 93.
- The Santa Rita Wildlife Area in Unit 34A is actively used for studies in wildlife management. Researchers are present all months and study sites are not always recognizable; hunters are urged to use caution while hunting and take care not to disturb study sites.
- The Grand Canyon-Parashant, Vermilion Cliffs, Sonoran Desert, Ironwood Forest, and Agua Fria National Monuments are open to hunting.
- Restricted nonpermit tags for these population management seasons will be available to permit holders in corresponding big game seasons.
- Successful elk and/or buffalo hunters must check out and personally present their elk and/or buffalo for inspection at the Jacob Lake Checking Station in accordance with R12-4-308.
- Individuals that have previously harvested a buffalo in Arizona and have met the one (1) per lifetime bag limit are not eligible to purchase the restricted nonpermit tag for buffalo.
- 12A East Hunt Unit - that portion of Unit 12A located east of AZ Hwy 67 and south of U.S. Hwy 89A.
- 12A West Hunt Unit - that portion of Unit 12A located west of AZ Hwy 67 and also that portion of Unit 12A located north of U.S. Hwy 89A.
- 12B West Hunt Unit - That portion of Unit 12B lying west of BLM Rd. 1065 and north of U. S. Hwy 89A from the BLM 1065/ U.S. Hwy 89A junction west to the Kaibab National Forest boundary.
- An unsuccessful hunter, or hunter who did not hunt, with a buffalo restricted nonpermit-tag for the House Rock Wildlife Area herd shall check out in person or by telephone at either the Department's Flagstaff regional office or the House Rock Wildlife Area headquarters within three days following the close of the season. A successful buffalo hunter shall report information about the kill to the Department within five business days after taking the buffalo either in person at

the House Rock Wildlife Area headquarters or in person or by telephone at the Department's Flagstaff regional office. If the kill is reported by telephone, the report shall include the name of the hunter, the hunter's tag number, the sex of the buffalo taken, the number of days hunted, and a telephone number where the hunter can be reached for additional information (R12-4-306).

16. As prescribed in R12-4-308, all hunters must contact an Arizona Game and Fish Department office in person or by telephone at 1-800-970-BEAR (2327) within 48 hours of taking a bear. The report shall include the hunter's name, hunting license number, tag number, sex of the bear taken, management unit where the bear was taken, and telephone number at which the hunter can be reached to obtain additional information. Within 10 days of taking a bear, the hunter shall present the bear's skull, hide, and attached proof of sex to a designated Arizona Game and Fish Department employee for inspection. If a hunter freezes the skull or hide before presenting it for inspection, the hunter shall prop the jaw open to allow access to the teeth and ensure that the attached proof of sex is identifiable and accessible (pursuant to R12-4-308). A premolar tooth will be removed during the inspection. Successful hunters are encouraged to contact the nearest Department office by telephone to coordinate inspections.

Wildlife Assets Program

A set of elk antlers, a deer's skull, a trophy-mounted big game animal: What do these have in common?

Items like these will be auctioned off at the next Wildlife Assets Program auction at the International Sportsman's Exposition, March 7-9, 2008, at University of Phoenix Stadium in Glendale. The Wildlife Assets Program raises funds to buy field equipment and provide training for the Arizona Game and Fish Department's law enforcement officers.

Wildlife parts enter the Wildlife Assets Pro-

gram in a number of ways, including through law enforcement seizures, pick-ups and vehicle collisions. The department also accepts donations of big game mounts, antlers and other wildlife-related decorative items.

The auction provides the opportunity for people to view and appreciate Arizona's remarkable wildlife resources, and potentially purchase items, such as antlers, skulls, hides and art.

For more information, contact the Law Enforcement Branch at (623) 236-7303.

Thank You Hunters and Recreational Shooters

Arizona's rich outdoor heritage is enjoyed by all – thanks to hunters like you, whose purchase of hunting and recreational shooting equipment supports wildlife management and habitat enhancement in the Grand Canyon State. When you purchase a rifle, ammunition, archery equipment, and other sporting gear, you pay a federal excise tax and import duties.

Since 1937, this money has been collected by the federal government and redistributed to the states using a

formula based on hunting license sales and the state's land area. In 2007, that meant over \$6.5 million for game management in Arizona. This money paid for game surveys, hunter education classes, wildlife water catchment construction, wildlife research and shooting range development and operations, among other projects.

Hunters like you are part of the largest and most successful wildlife conservation programs in the world...thank you.
